A Small Scientific Document for Extraction Smoke Tests

Abstract. This document contains body text, a formula, a table, and a simple figure-like block.

1. Introduction

The purpose of this file is to validate that the API accepts a PDF and that Docling and GROBID return structured output.

2. Formula

The energy relation is $E = mc^2$, where E is energy, m is mass, and c is the speed of light.

Table 1. Example model performance.

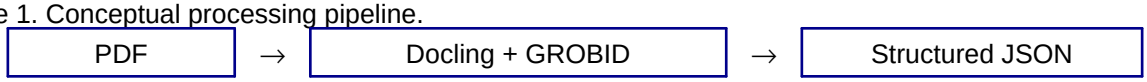
Model	Accuracy	F1
A	0.91	0.89
B	0.94	0.92


Figure 1. Conceptual processing pipeline.
